Proceedings of the Madras Government, Revenue Department, 19th July 1864.

No. 293. Read the following Proceedings of the Board of Revenue, dated 8th July 1864, No. 4,236 :—

Read again letter from the Collector of Bellary, dated 16th May 1864, No. 70, in Board's Proceedings dated 25th May 1864, No. 3,205.

Read also the following letter from the same Officer, dated Goontakul, 15th June 1864, No. 90.

With reference to the Proceedings of the Board of Revenue, No. 3,205, under date the 25th May last, calling on me to report for what purpose the Chuttrum at Amidal, in the Talook of Gooty, in this District, was erected; how it has ceased to be of use, and the grounds for considering it to be a Government building, I have the honor to state, in reply to the first and second questions, that it was built for the use of travellers, when the road from the Town of Anantapur to that of Bellary passed through the village of Amidal, but that since a few years that road having fallen into disuse, in consequence of a new trunk road having been opened from Bellary to Anantapur through Ooravakonda in the Talook of Gooty, no travellers resort to the Chuttrums in question; and in reply to the third point (how it is a Government building), that when the Humpy Devastan was under the management of Government, the Amidal Chuttrum was constructed from the Humpy fund, or collections formerly made (though since abolished) from pilgrims who resorted to Humpy. The building was subsequently repaired by Government, at a cost of about Rupees 162 in Fusly 1261.

Under the circumstances reported in the second letter above recorded, the Board resolve to request the sanction of Government for the sale of the late Peshcar's office, and the Chuttrum at Amidal, as neither building is required by the Police or Engineer Departments.

No. 294. ORDER THEREON, 19th July 1864, No. 1,262.

Miscellaneous.

Sanctioned accordingly.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 25th May 1864.

Read the following letter from the Collector of Bellary, dated Ramandroog, 16th May 1864, No. 70 :—

I have the honor to report for the information and orders of the Board of Revenue, that there are two buildings (a late Peshcar's Cutcherry and a Chuttrum) in the village of Amidal, in the Taluk of Gooty, which are at present unoccupied ; and which are not required by either the Police or Engineering Department. I have therefore the honor to request the Board's sanction for the said buildings being sold by public auction, and the proceeds credited to Government.

---

1. The Collector will please to report for what purpose the Chuttrum was erected, and how it has ceased to be of use.

2. The Board wish to know how it is shown to be a Government building, which the Board presume the Collector considers it to be, although he has not so stated.
