Proceedings of the Madras Government, Revenue Department, 21st July 1864.

No. 343. Read the following Proceedings of the Board of Revenue, dated 6th July 1864, No. 4,205.

Read the following letter from the Collector of Salem, dated 30th May 1864, No. 97:—

1. I have the honor to request the permission of the Board to grant, under the old Cowle rules, 50 acres of land applied for by Mr. B. A. Daly on the Shervaroy Hills in 1858.

2. Mr. Daly applied for this land in 1858 to Mr. Smith, the then Sub-Collector, who it appears refused to comply with his application on the ground that a public path to some Mulyali pagoda ran through the lands, and that the Mulyalies therefore objected to the grant. Mr. Daly then appealed to Mr. Knox, who it appears promised to inspect the lands when he visited the hills, which he never did. When Mr. Brett went up the hills it appears he personally inspected the land, and told Mr. Daly that he would let him have it; but he never, it would seem, sent written orders to that effect. I see no objection to the grant of the land to Mr. Daly, and consider that he has been kept out of possession of it all this time for no valid reason. All the Mulyalies want is the road to their pagoda, and with this right Mr. Daly will not of course interfere. Considering that Mr. Daly has not been put in possession of this land, which he applied for six years ago, solely from delay on the part of the Revenue officers, and that moreover the land in question adjoins his present holding of 180 acres, I am of opinion that the land should be given him under the old rules without auction.

Mr. Daly's application was made under the old rules which were in force up to 1860, when Government directed* that allotments, for farming purposes, on the Shervaroy Hills should be sold at auction. Mr Brett did not inspect the land while the old rules were still current. But the Board are satisfied that the land might have been made over to Mr. Daly in 1858 when he first applied for them, and that he is not to blame for any delay that took place. They therefore recommend the case as a special one to the favorable consideration of Government, and that Mr. Daly be allowed to have the land on the terms at the old rules.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th July 1864.

Read the following letter from the Collector of Salem, dated 30th May 1864, No. 97 :—

1. I have the honor to request the permission of the Board to grant, under the old Cowle rules, 50 acres of land applied for Mr. B. A. Daly on the Shervaroy Hills in 1858.

2. Mr. Daly applied for this land in 1858 to Mr. Smith, the then Sub-Collector, who it appears refused to comply with his application on the ground that a public path to some Mulyali pagod ran through the lands, and that the Malayalies therefore objected to the grant. Mr. Daly then appealed to Mr. Knox, who it appears promised to inspect the lands when he visited the hills, which he never did. When Mr. Brett went up the hills it appears he personally inspected the land, and told Mr. Daly that he would let him have it; but he never, it would seem, sent written orders to that effect. I see no objection to the grant of the land to Mr. Daly, and consider that he has been kept out of possession of it all this time for no valid reason. Mr. Daly's application was made under the old rules which were in force up to 1860, when Government directed* that allotments, for farming purposes, on the Shevaroy Hills should be sold at auction. Mr. Brett did not inspect the land while the old rules were still current.
