Proceedings of the Madras Government, Revenue Department,
22nd *July* 1864.

No. 363. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 12th July 1864, No. 1,730 ;—

SIR,

1. With reference to the Order of Government, dated 28th February 1862, No. 487, referring for my report a letter from the Collector of Madura, soliciting permission for the transfer of the village of Kodikolum, belonging to the Ramnad Zamindar, to the Tanjore District, I have now the honor to forward the letters received from the Collectors of Madura and Tanjore.

From the Collector of Madura, dated 30th May 1864, No. 2,794.
Do. of Tanjore, „ 15th June „ „ 2,800.

2. The Collector of Madura states that there are 24 villages, all of them situated to the north of the river Pambar and surrounded with Tanjore villages, which he is desirous to transfer to the Tanjore District ; by which measure the river will become the permanent boundary line between Madura and Tanjore. It is also stated that the list of these villages had been prepared by the Theruvadanai Sub-Magistrate in Madura, and Puttukottah Tahsildar in Tanjore, after their personal visit to the villages. The Collector of Tanjore expresses his entire concurrence in the proposal ; and as the transfer of the villages recommended appears to be desirable, I beg to recommend that the sanction of Government may be accorded to it.

No. 364. ORDER THEREON, 22nd July 1864, No. 1,298.

Miscellaneous.

The transfer of the 24 villages alluded to from the District of Madura to that of Tanjore, is approved. The necessary application will be sent to the Government of India through the Judicial Department as usual.

With reference to your foot note

I have the honor to forward translate of

in this District and Pattukotta Tasildar
in Tanjore. The list was prepared by the
above two functionaries after their perso

in doing this convenience of the inhabitant
concerned in them was not overlooked.

Of the 24 Villages shewn in the
list 13 Villages are nearer to the Kavlady

Tanjore than to that of the Sub Magistracy
of Thiruvadanai in Madura to which they
are now attached; and the remaining 11 Vil

somewhat more distant yet as they are surrounded by the Tanjore Villages as is apparent from the list, I consider their transfer equally necessary.

All the Villages alluded to in the list are situated north of the River Vambar and if their transfer be ordered, the river will become the permanent boundary line between Madura & Tanjore.

I therefore request you will be good enough to procure the sanction of Government for the transfer of the Magisterial jurisdiction of the 21 Villages from Madura to Tanjore.

From the report of the sub Magte of Thiruvadanai and Pattukottai Tasildar, I learn that there are no Tanjore Villages within the boundaries of Madura.

The delay in disposing of this subject is owing to my not being able to procure any notice of the subject from the Rance of Ramnad.
