Proceedings of the Madras Government, Revenue Department, 25th July 1864.

No. 403. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th July 1864, No. 851/27 :—

SIR,

Referring to paragraph 4 of Government Order, dated 16th June 1863, No. 1,056, in which I am directed to report in communication with the Board of Revenue, on the arrangements necessary, in order to carry out the system of a separate water-rate along the course of the Madras Irrigation and Canal Company's works, in the rest of the Kurnool District, and in Cuddapah and Nellore, I have the honor to state that in addition to the four Talooks of Kurnool proper, the papers connected with the Settlement of which are now before Government, the only Talook of that District which will be commanded by the Company's works is that of Koilkuntla, while in Cuddapah the four Talooks named in the margin will be affected. Settlement operations in the above five Talooks are now in progress in accordance with the instructions of Government, given in their Orders marginally noted, and all lands coming under the influence of the Canal will be assessed as dry, so as to allow of the imposition of the separate water-rate on the irrigated portion. The same principle may, without difficulty, be applied to the tracts in Nellore which will be commanded by the Canal, when the assessment of that District is taken in hand.
