Proceedings of the Madras Government, Revenue Department, 25th January 1864.

No. 257. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 14th January 1864, No. 68-2:—

SIR,

Adverting to my letter of the 22nd October 1862, No. 1,335, I have the honor to report that the sum sanctioned in the Order of Government of the 28th November 1862, No. 2,501, for a temporary Establishment for six months, to complete the demarcation of the Government lands in the Wynad, is exhausted, but that the work is not yet finished, owing to the demarcation of other resumed Government lands besides those enumerated in the list submitted with my letter above quoted, having been undertaken in communication with the Collector of Malabar. From paragraph 6 of my previous letter it will be seen that the employment of the party for a further period was contemplated in the event of additional work being found for it. With Mr. Ballard's concurrence, the party has for some months been placed under the Deputy Collector in the Wynad, in order that the work performed by it might be effectually supervised, and I have it in contemplation, on receipt of certain information which I have called for, to propose that the demarcation of the remaining Government lands in Wynad be made over altogether to the Collector; but in the mean time, as there is no sanction for the pay of the Establishment, I request that the sanction already given may be extended for the period of three months, before the expiration of which time definite arrangements for the future may be made. The present application has reference to the pay of the Establishment only. No further grant is at present required for boundary marks. The Establishment not having been at first fully organized, the amount sanctioned has lasted longer than the period for which it was estimated. The Budget of the Department will admit of the expenditure now proposed.

No. 258. ORDER THEREON, 25th January 1864, No. 133.

Under the circumstances stated, the Government authorize the continuance of the temporary Establishment sanctioned in the Order of Government dated 28th November 1862, No. 2,501, for six months at a monthly cost of Rupees 379 for an additional period of three months.
