2. In anticipation of the sanction of the Government of India being accorded
to the sum to be entered in the Budget for the purchase of the land in question, the
necessary preliminary arrangements may be made for its acquirement, by private
bargain, which Government consider more desirable than obtaining it under Act VI
of 1857; should the negotiation fail, however, the necessary steps will be taken, by
the Revenue Department, on the receipt of sanction, for issuing the usual proclama-
tion, preparatory to the land being taken by Government.

3. On the completion of the purchase, the trees on the land in question will
be made over to the Tenants for their own benefit, and they will be allowed to clear
