PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th July 1864.

I have the honor to acknowledge the receipt of the Proceedings of the Board, requesting me to explain why earlier measures were not taken for the *renewal* of the bund, and state that the orders* of the Board, dated 23rd ultimo, sanctioning the work in question, as an experiment, reached me on the 26th ultimo ; they were communicated the next day, the 27th, to the Deputy Collector in charge of the Salt Department ; they reached him on the 31st ; on the same day he reports having sent men to procure coolies, &c., for the work and one of his Dhalayats ; and on the 2nd, the water had risen with the new moon, and the proposed arrangements were too late.

The Collector's explanation is quite satisfactory. The Board's remark was *penned under* the impression that the bund referred to was that across the swamp land at the north end of the Pulicat lake.

I have the honor with reference to the Board's Proceedings dated 31st March last, No. 1,855, to state that the amount of arrears due to Syed Jalal Padeshah, Yeomiahdar, on account of his own half share is correctly given in the Statement of arrears submitted to the Board under date the 10th December 1863, but the period for which these arrears are due dates, as entered in the office copy of the Statement, from 1st October 1861, and not, as stated in the Board's printed copy of the Statement, from 1st October 1862. If this latter date was by a clerical error entered in the fair copy of the Statement sent to the Board, I beg to request that the necessary alteration may be made in it.

Ordered accordingly that the year 1862, entered in Column 6 of the Collector's Statement above quoted, be altered to 1861, that payment of the two years' arrears amounting to Rupees 235-13-8, due to Syed Jalal Padishah on account of the half share hitherto enjoyed by himself, be sanctioned.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 11th July 1864.

Read the following letter from the Collector of Ganjam, dated Rumbah, 23rd June 1864.

No. 128 :—

1. I have the honor to report for the information of the Board the sale of the Abkary Farms of this District for Fasli 1274, on the 11th instant, for Rupees 1,01,110, being an increase of Rupees 9,587 over the last year's revenue, notwithstanding the difficulty of the Toddy question as reported in my letter of the 23rd April last, No. 67, and the reduction of the upset price by 10,000 Rupees. The explanation of this unexpected result is to be found in the keen competition between the new renters and certain native rivals; and it is doubtful whether the farm can be worked at a profit on the present terms.

2. The sale was conducted by myself at Chatterpore; the Principal Division was knocked down to A. Balaramiah and Poorshottamasow for Rupees 66,700, and the Sub-division to V. Bheemarow and G. Narayanaswamy, on behalf of G. Chitti Ramiab, for Rupees 34,410.

3. The prescribed deposits of Rupees 5,850 have been made, and the Mustilkas taken binding the new renters to pay up the remaining sum of Rupees 9,947-0-0 to complete the deposit equal to two monthly Kists on or about the 25th instant.

Submitted for the information of Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 14th July 1864.

Read the following letter from the Collector of Vizagapatam, dated 25th June 1864, No. 368:—

Referring to paragraph 34 of the Board's Revenue Report to Government, No. 1,126, dated 22nd February last, I have the honor to forward herewith Mr. Minchin's explanation as to the diminished expenditure on Maramut in Palcondah in Fasli 1272, which will probably be considered satisfactory.

ENCLOSURE No. 1.

From C. MINCHIN, Esq., Agent for the Renters, to D. F. CARMICHAEL, Esq., Collector of Vizagapatam, dated Veerabadrapettah, 22nd June 1864.

1. I have the honor to acknowledge the receipt of your letter of the 14th instant, No. 340, calling upon me, under instructions from the Board of Revenue, for explanation of the diminished expenditure in Maramut in the Palcondah and Hoonjeram Taluks in Fasli 1272, in comparison with that of 1271.

2. In reply I have only to repeat what I have before stated, that the full amount required was expended. I sanctioned for that Fasli an expenditure of Rupees 2,609-7-10, but when all that was necessary had been done, it was found that no more than Rupees 1,445-13-1 had been disbursed, and that no more was needed.

3. In the course of the Fasli however an unusually heavy fall of rain did much damage to some parts of the irrigation works of the Taluk, the repairs to which could not be effected till the monsoon was over. For this I sanctioned an expenditure of Rupees 7,056-8-0, and repairs to the extent of Rupees 4,063-12-4 were made, which will appear in the accounts for Fasli 1273, shortly to be submitted to you.

4. I beg to assure the Board that a more liberal expenditure is always sanctioned by the Renters for repairs than is afterwards found necessary to be disbursed, and my assertion will be found borne out by the accounts of the Taluk.

1. Ordered to be submitted for the information of Government.

2. The explanation afforded by the Renter's Agent, Mr. Minchin, appears perfectly satisfactory.
