*Proceedings of the Madras Government, Revenue Department,
1st August 1864.*

No. 3. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 12th July 1864, No. 54 :—

SIR,

I have received Proceedings of Government, Revenue Department and their Order thereon, dated 19th January 1864, No. 111, calling on me to report whether the land at Coonoor recommended by Dr. Smith to be converted into a Public Garden is Government property. The greater portion of the land and that part of it especially which is best suited for the formation of ornamental grounds, is the private property of Mr. Schnarre and Mr. Gray, the present proprietor of the Coonoor Hotel. The remaining land is the property of Government, it is well covered with trees, but its extent is so limited, that very little could be done with it in the way of improving it and converting it into pleasure grounds. As Dr. Smith seemed to take much interest in the subject, I wrote to him on the 18th February suggesting that as Mr. Thomas, the late Collector, who now resides permanently at Coonoor, knew Mr. Schnarre, he should place himself in communication with him (Mr. Thomas) in view to his obtaining Mr. Schnarre's sanction to the formation of a road through his ground, but up to the present time I have not heard from Dr. Smith, and consequently concluded that it was useless for me to take further steps in the matter.

No. 4. ORDER THEREON, 1st August 1864, No. 1,360.

Miscellaneous.

The Government do not consider it necessary to establish a Public Garden at Coonoor.
