*Proceedings of the Madras Government, Revenue Department,
2nd August 1864.*

No. 32. Read the following Proceedings of the Board of Revenue, dated 21st July 1864, No. 4,596.

Read the following letter from the Collector of Malabar, dated Calicut, 11th July 1864, No. 166:—

1. Adverting to Government Order dated 27th January 1864, No. 146, and my letter to the Board of the 25th ultimo, No. 147, I have the honor to state that I think the Demarcation party referred to in Mr. Master's letter* under notice may, with advantage, be abolished.

* Dated 21st January 1864, No. 110, paragraph 4.

By Government of India.—See Government Order 8th September 1863, No. 1,656, forwarded with Board's communication dated 11th idem, No. 5,727

2. The Survey Establishment, sanctioned under date the 4th August 1863, will suffice for both the Demarcation and Survey work.

But I would propose that the Gumastah, on Rupees 18-8-0 on this Establishment, be dispensed with; and that the present Demarcation Inspector, on 50 Rupees per mensem, be entertained in his stead:

3. This Inspector has been working for some time in Wynad. He is now well acquainted with the country: He seems to stand the climate, and he will be of great use to the Survey party. He will assuredly be well worth his present pay.

4. The Establishment will then stand as noted. It exhibits a small increase of

Rupees 31-8-0 over the sanctioned amount. But this is trifling when compared with the saving that will be effected by the abolition of the Demarcation party.

5. All the servants composing this party are, with one or two exceptions, absent on sick leave. Some of the substitutes entertained have died, and the party is virtually already extinct.

6. The Survey party has also suffered dreadfully from the late unhealthy season in Wynad. There is not a single individual belonging to it just now in the Talook. Some are absent on sick leave, others have resigned their posts, and one has died.

7. I have applied to Colonel Priestley for Surveyors, and when they arrive I purpose having both the Survey and Demarcation performed by the same party.

8. I solicit that sanction may be obtained for the retention of the Establishment required, as noted in paragraph 4.

The expenditure can be met from the savings of the Revenue Budget for 1864-65.

Ordered to be submitted for the favorable consideration of Government, in continuation of the Collector's letter now before them.
