PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 17th June 1864,
No ⁴⁸₅₉₄₇ ; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government.

2. The Commander-in-Chief thinks that a Board will be the only means of obtaining all the information required in this investigation.

From the Officer Commanding Malabar and Canara, Cannanore, 6th June 1864, No. 140 ; to the Quarter Master General, Head Quarters, Ootacamund.

With reference to your letter of the 11th April last, No. and subject as per margin, I have the honor to request you will submit for His

No. 3797.

States that Government require a memorandum of the documentary or other evidence on which the Brigadier General Commanding, founds his claim in regard to each house in Cannanore Cantonment, built on Beebee's land.

Excellency's orders, my application for a Board to be convened at Cannanore to inquire into the rights and claims of the parties owing Bungalows on Beebee's land in Cannanore Cantonment.

2. I propose that this Board should consist of Major Ewart, Deputy Assistant Commissary General, late Superintendent of Police, the Acting Cantonment Joint Magistrate, and Captain Douglas, Staff Corps, doing duty under my orders, and that they should sit from time to time as they find subject matter for inquiry.

3. There is such a paucity of Officers here for Garrison duty, that I am averse to withdrawing any Officers of the Garrison from the Roster, for this purpose, and the Officers, I have proposed for the duty, are specially eligible for it.

P. S.—I beg further to suggest that the Collector of Malabar be requested to render the services of the Sub-Collector of the District available as a Member, as opportunity offers (when he is in Cannanore.) He can afford the Board very material assistance.

I have invited the co-operation of Ali Rajah of Cannanore in this matter, and await his reply.

ORDER, No. 2267, 1st July 1864.

The Governor in Council is not prepared to sanction the assembly of a Board of Officers as proposed by Brigadier General Babington, Commanding Malabar and Canara, for the purpose specified in his letter to the Quarter Master General, such a Board could have no authority in the matter nor could they enforce proprietors to produce their titles.

2. The Order* of Government, in the Revenue Department, calls upon the Brigadier General to submit a Map shewing distinctly the houses in the possession of the Rajah of Cannanore and those styled Beebee's houses in possession of others, accompanied by a memorandum of the documentary or other evidence on which Brigadier General Babington founds his claim in regard to each house.

The Governor in Council considers that this should be effected by searching the Official Records at the Station or in the Quarter Master General's Office, and the required documents, with the plan, forwarded to Government.
