*Proceedings of the Madras Government, Revenue Department,
3rd August 1864.*

No. 44. Read the following Proceedings of the Board of Revenue, dated 18th July 1864,
No. 4,472.

Read the following letter from the Collector of Tinnevely, dated Tenkasy, 25th June 1864,
No. 245:—

1. I have the honor to state that under the sanction of Government, dated 24th November 1863, No. 2,114, communicated to me by the Board on the 26th idem, ten temporary Gumastahs were entertained on the 1st January 1864, in view to having the useless Vernacular Records searched and separated, and up to this time about half the work has been gone through, notwithstanding strict supervision.

2. The amount of sale proceeds of waste paper up to the 31st ultimo is Rupees 495-2-8, after deducting the pay of the Temporary Establishment up to that date, and the papers already selected for destruction, and not yet sold are likely to fetch Rupees 875, making a total of about Rupees 1,370-2-8. As half of the work still remains to be done, I request that the early sanction of Government may be obtained for retaining the establishment referred to, for another six months. This sanction is highly necessary, and I hope that the remaining work will be completed within that period.

3. As suggested by the Board, the sorting of the records is done by trustworthy men on the Permanent Establishment, whose ordinary duties are attended to by the temporary Gumastahs.

1. Ordered to be submitted to Government with the Board's recommendation that under the circumstances stated by the Collector sanction be granted for the continuance of the Temporary Establishment, for arranging the Vernacular Records for another six months at a total cost of 600 Rupees.

2. The Collector is informed that the whole amount of the sale of waste papers should be carried to the credit of Government, and no deduction should be made from it on account of Temporary Establishment, the charge for which should be incurred out of the sanctioned grant.

No. 45. ORDER THEREON, 3rd August 1864, No. 1,381

Miscellaneous.

Sanction is accordingly granted for Rupees (600) six hundred.
The Government will not allow the continuance of the establishment beyond the further period of six months for which it is now authorized. The work must be completed within that period.
