Proceedings of the Madras Government, Revenue Department, 3rd August 1864.

No. 50. Read the following Proceedings of the Board of Revenue, dated 26th July 1864.

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Kurnool, 18th July 1864, No. 122:—

SIR,

* To Board, dated	5th Dec.	1862, No.	142.	
From „ „	17th do.	„	8,227.	
From „ „	6th Feb.	1863, „	735.	
To „ „	11th June	„ „	86, Para. 19	
From „ „	12th Aug.	„ „	5,042.	
From „ „	19th Nov.	„ „	7,346.	
To „ „	23rd May	1864, „	84.	
From „ „	21st June	„ „	3,281.	

1. With reference to the correspondence noted in the margin,* even at the risk of being charged with pertinacity, I cannot refrain from forwarding for consideration and submission to Government, the accompanying Inspection Report on the Koilkoontla Talook Cutcherry, forwarded to me by the Superintending Engineer.

2. The building is in such a state that temporary repairs are useless, while it is impossible to preserve the records from destruction during the rains.

3. The Government regretted their inability to provide any funds for building a new Cutcherry in the current year. I am convinced that there is no Talook in the Presidency for which a new Cutcherry is more urgently wanted, and I fear that if the want be not shortly supplied, the present building will become a dangerous ruin before it can be evacuated.

---

1. Ordered to be submitted for the consideration of Government.

2. The Board submit for consideration whether, if it is impossible otherwise to provide funds for the pressing need of buildings in the Revenue and Magisterial Departments in this Presidency, special application cannot reasonably be made to the Supreme Government for additional funds.

No. 51.

Miscellaneous.

ORDER THEREON, 3rd August 1864, No. 1,383.

Transferred to the Department Public Works in view to the Cutcherry being built at once if funds can be made available.
