sheds in the Wynád for consideration.

No. 113. ORDER THEREON, 6th August 1864, No. 1,413.

Local Funds.

1. The Plans and Estimates are approved for entry in the Budget of Imperial Public Works for 1865-66, with reference to paragraph 2 of the Order of Government in the Public Works Department, dated 15th June 1864, No. 1,735.

2. The cost of repairs to Bungalows in the current year must be met out of the sum allotted for the repair of Imperial Public Works. The receipts from fees will not do more than cover the cost of Establishments, and no other funds are available; the Imperial Budget must therefore for the present provide for repairs and new buildings.

*Proceedings of the Madras Government, Public Works Department,
19th July 1864.*

No. 322. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 12th July 1864, No. 59:—

SIR,

* Rupees 8,000.
† Rupees 3,240.

1. I have the honor to submit the Plans and Estimates for four Bungalows* and six halting Sheds† in Wynad, alluded to in paragraph 2 of Government Order No. 1,735 of 15th June.

2. I am at a loss to know in which Budget of 1865-66 they are to be included, if in the Local Fund Budget they may as well be built at once as later, as the Collector of Malabar will have quite as much to do with his Local Funds next year as now, and will have less money available. The subject of Bungalows is one on which it is very desirable that Superintending Engineers should be supplied with definite instructions. I am obliged to permit Bungalow repairs incomplete on 30th April to be completed, and monsoon repairs to be carried on, in the current year; and yet I do not know where the funds are to come from, and how to show the expenditure in my accounts.

No. 323. ORDER THEREON, 19th July 1864, No. 2,073.

1. The Plans and Estimates received will be referred to the Revenue Department, with reference to Section C of the Rules circulated with Proceedings dated 4th March 1864, No. 392.

2. Orders will also be passed in that Department with respect to the provision of funds in the current official year for the repairs of Bungalows.

3. The Public Works Reserve being exhausted, no funds will be available for the proposed Bungalows in the Wynad.
