*Proceedings of the Madras Government, Revenue Department,
8th August 1864.*

No. 136. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to Major J. H. M. S. STEWART, R. E., Deputy Secretary to Government, Department Public Works, dated Madras 22nd July 1864, No. 4,631 :—

SIR,

1. With reference to the Memorandum from the Secretary to Government, Department Public Works, dated 4th February 1864, I am directed by the Board of Revenue to forward herewith a revised Local Fund Budget for 1864-65, prepared in the form therein prescribed.

2. The Board regret the delay that has taken place in the submission of this Estimate, but the last District Return was only received on the 13th instant.

3. The provision now made in the District Estimates amounts to Rupees 4,70,219 for both original works and for current and special repairs; and as it is probable that applications for emergent works not provided in the Budget will be received during the year, the Board have added a sum of Rupees 15,000 as a reserve to meet such charges.

4. In paragraph 10 of the Proceedings of Government in the Department Public Works, dated 18th February 1864, No. 492, the Government observed that no Income Tax or Local Funds were available in the Kistna and Nellore Districts to provide the amounts required for the works entered in the two lists submitted by the Superintending Engineer of the 2nd Division, and therefore they transferred them to the Board for consideration in the preparation of the Local Fund Budget for 1864-65. The Local Fund Estimate received from the Collectors contain none of the Estimates entered in the abovementioned lists, and as the estimated cost of works now proposed in the two Districts are equal to the estimated receipts, the Board are unable to make any provision for the works in question. The original lists received with the Government Order above referred to are therefore now returned.
