*Proceedings of the Madras Government, Revenue Department,
11th August 1864.*

No. 172. Read the following Proceedings of the Board of Revenue, dated 23th July 1864, No. 4,791.

Read the following letter from the Collector of Coimbatore, dated 30th June 1864, No. 139:—

1. I have the honor to forward a Statement showing the extent and assessment of land proposed to be given to certain village officials in lieu of their Inám lands taken up for public purposes and otherwise become unfit for cultivation.
2. The aggregate extent of land appropriated for public purposes, including the unproductive portion, is Acres 30-15½, bearing an assessment of Rupees 43-12-0, that proposed to be given in lieu of it measures 42½ Acres, assessed at 41-5-4.
3. In four instances the village officials request that lands may be allotted to them from their Puttah lands; in the other four cases the grant is proposed to be made from Government waste. As there appears to be no objection to this measure, I request the Board of Revenue will be good enough to obtain the sanction of Government to this arrangement.
4. The Puttah lands referred to are to remain as usual with the existing incumbents. In the event of the office passing out of the present family, the person succeeding to it will be entitled to receive so much of the assessment as is equal to the pay allotted to the office.
5. In cases of grants made from Government waste, the party appointed to the office will be allowed to enjoy the land.
6. The village officers concerned admit that the Income derived from their present Inám will be equal to the assessment of the lands now selected by them.
