*Proceedings of the Madras Government, Revenue Department,
11th August 1864.*

No. 178. Read the following Proceedings of the Board of Revenue, dated 9th July 1864,
No. 4,279.

Read the following letter from the Collector of South Arcot, dated Cuddalore, 18th May 1864,
No. 79:—

1. In reference to the Proceedings of the Board of Revenue, dated 9th instant, No. 2,798, communicating the orders of Government requiring further information on certain points connected with the deduction made from the Jummabundy beriz for the support of the Tripaputoor Choultry in this District, I have the honor to state that the sum of Rupees 678-9-0, or Pagodas 193½, alluded to in my letter of the 19th January last, No. 9, as the deduction from the Jumma of the neighbouring Shrotriem and Mootah villages for the support of this Institution forms part of the regular assets on which the permanent settlement was calculated in 1806-7. The amount will be found exhibited as a distinct item under the head of "Chuttrum Meerah" in column 35 of the general Abstract Account No. 8, transmitted to the Revenue Board by Mr. Fallofield, under date the 25th March 1806, and when the permanent assessment included the said Meerahs.

2. Similar Meerahs deducted on account of Pagodas, have been included in the land Teerwah, as explained by the late Collector, Mr. Davis—*vide* paragraph 12 of his letter to the Board of the 21st December 1846, on the subject of the transfer to Trustees of Devastanum land endowments.

3. It is thus apparent that the "Chuttrum Meerahs" have been included, as already stated, in the assets of the permanent beriz.

4. I may further state that during the lifetime of the head Nattawar, the Meerahs were collected by him, and after his death, and so long as the villages continued on Mootah tenure, the Mootahdar made the collection and paid it to the Government, by whom it was disbursed to the Institution; but some of these villages have since reverted to Government, and the collections and disbursements are now entirely under the management of the Government Officers.

Ordered to be submitted to Government, with reference to paragraph 4 of their Order, dated 3rd May 1864, No. 764. It will be seen from the Collector's letter that the Chuttrum Meerah originally contributed by the Ryots was included in the land Teerwah when the permanent settlement was made in 1806-7, and that an annual deduction of Rupees 678-9-0 is therefore made from the gross beriz of the villages for the maintenance of the Chuttrum. This annual deduction will cease, and the whole revenue be carried to the credit of the State, on the Government sanctioning the money payment of Rupees 678-9-0 from the public funds, as already recommended by the Board.

No. 179.

ORDER THEREON, 11th August 1864, No. 1,447.

Miscellaneous.

1. Under the explanation now furnished, the Government authorize the Civil Paymaster to pass the sum of Rupees 678-9-0 as an annual allowance for the maintenance of the Choultry at Trippapooloor in the District of South Arcot. The deduction of this amount from the Jamabundy Beriz will be discontinued.

2. The Board will take steps, as proposed in their Proceedings of 18th February last, No. 1,061, in view to a better appropriation of the funds in future.
