Proceedings of the Madras Government, Revenue Department, 12th August 1864.

No: 188. Read the following Proceedings of the Board of Revenue, dated 4th August 1864, No. 4,956.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, dated 19th July 1864, No. 131 :—

1. With reference to the Board's Proceedings; dated the 20th August 1863, No. 5,204, I have the honor to inform you that the compound in which the Rest House at Salem stands, comprises 56 yards in length, and 51 in breadth, or square yards 2,856.

2. From the accompanying rough sketch, the Board will observe that there is no unoccupied ground available adjacent to the Rest House except the piece marked H. on which the owner wishes to erect a stable, and which was sold according to the Freehold Rules under the Orders of the Board of Revenue, dated 26th August 1862. There are other pieces of unoccupied grounds which are situated at a distance from the Rest House marked in the Sketch F, G, J, N, and O. The price demanded by the owners is given in the Sketch. The very high prices demanded by owners have deterred me from hitherto proposing that Government should buy the lands marked F, G, and O. The increase, however, of filth of all kinds and of low dirty hovels on these lands makes it almost a necessity that they should be purchased by Government with a view to the ground being kept clean and laid out in building sites for respectable houses. I will address the Board again on this subject with a view of their obtaining the sanction of Government for putting in force Act VI of 1857.

ENCLOSURE No. 1.—Rough Sketch.

Ordered to be submitted for the information of Government, with reference to Government Order No. 1,519, dated 18th August 1863.
