*Proceedings of the Madras Government, Revenue Department,
15th August 1864.*

Read again Order No. 1,337.

No. 226. Read also the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to
C. G. MASTER, Esq., Deputy Secretary to Government, Revenue Department, Fort
Saint George, dated Kurnool, 2nd August 1864, No. 41 :—

Sir,

1. With reference to the Government Orders, dated 6th May 1864, No. 733, and 27th July,
No. 1,337, I have the honor to state that after the opinion passed by Captain Flint, as to the
additional cost that would be incurred by taking measures to protect the village of Soonkasala,
there appears no alternative but to provide the villagers with the means of removing their houses.

2. The Deputy Collector, Ragoonadha Row, estimated the cost of re-building the village
on a safe site, at Rupees 5,500, and the expenditure can be met from the item in the Budget for
providing land for the Company's Canal.

3. With reference to my apparent delay in reporting on this subject, I beg to state that I
addressed Colonel Hemery as directed, on the 12th May, who at once took steps to provide me
with professional assistance, but by an oversight forwarded Captain Flint's letter, dated 4th July,
No. 63, direct to Government, so that I had no opportunity of seeing it previous to the receipt of
the Government Order of the 27th July, No. 1,337.

4. I trust that sanction may be accorded for the immediate removal of the village to a higher
level.

No. 227.

ORDER THEREON, 15th August 1864, No. 1,472.

Miscellaneous.

Sanction is accordingly granted for Rupees (5,500) five thou-
sand and five hundred for removing the village of Soonkasala to a
higher and safe level. Orders will be issued from the Public Works Department, for the provi-
sion of funds from the item in the Budget alluded to by Mr. Minchin. The Collector will take
care that the streets are properly laid out.
