No. 252. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 5th August 1864, No. 2,084:—

SIR,

2 Plans.
1 Abstract Estimate.

1. I have the honor to submit for the sanction of Government Plans and Estimates amounting to Rupees 1,410, prepared at the requisition of and approved by the Collector of Madras for the following works:—

		Rs.
1.	Replacing thatched shed attached to the Arrack Distillery at Tondiarpett for the Sepoy guard by a permanent tiled building	950
2.	Constructing Latrine at do.	460
	Total ...	1,410

2. The first work is recommended on the grounds that the present thatched shed affords facilities for the stealing of Stores and Arrack, and is moreover liable to be burnt down.

3. The second work is to supply a want much felt by the men employed at the Distillery.

4. I beg therefore to request permission to order the execution this year of the Estimates in question from the sum, Rupees 2,000, allotted in the supplemental Budget for constructing a Surgery, Store, Bath-rooms, &c., to the Lock Hospital at Saint Thomas' Mount, as that work was completed last year under the authority given in G. O. No. 483, dated 17th February 1864.

Vide G. O. No. 1,400, dated 13th May 1864.

Referred to the Revenue Department. In the event of the Estimates being approved, the sanction of the Government of India will be requested to the transfer of funds proposed by the Superintending Engineer.
