SIR,

I have the honor to solicit the favor of Government's exempting this Department, for the short time it will last, from the operation of their Order dated 28th November 1861, and of their authorizing the Civil Auditor to pass all Bills of Contingent charges incurred for the purchase, by the Officers of this Department, of such common articles of Stationery as French Foolscap paper, &c., which can be had from the local bazaars. The Deputy Collectors of this Department are working at such distances from the Presidency town, and without the facilities of Railway communication, that supplies of these articles often do not reach them in time to answer their necessities, and much interruption has occurred to the work of one of them in consequence of the supply indented for on his account on the 15th of June last not having yet reached him.

No. 1,577, published in the Supplement to Fort Saint George Gazette, dated 3rd December 1861, page 7.

No. 263. ORDER THEREON, 18th August 1864, No. 1,190.

Miscellaneous.

Ordered accordingly as a special case; but supplies must be procured from the Superintendent of Stationery when practicable without detriment to the public service.
