*Proceedings of the Madras Government, Revenue Department,
18th August 1864.*

No. 273. Read the following Proceedings of the Board of Revenue, dated 27th July 1864, No. 4,733.

Read Abstract of Extra Charges incurred in the Salt Department in the Collectorate of Malabar for May and June, and September to December 1863 :—

1. In this Abstract the Collector includes the pay of four extra Shroffs disallowed by Government in paragraph 3 of their Order, dated 2nd December 1863, No. 2,185.

2. With reference to the concluding part of the above paragraph, Collectors were requested* to submit a Statement of actual charges incurred on account of the items disallowed, in order that the sanction of Government might be obtained

* *Vide* paragraph 4 of the Board's Miscellaneous Circular, dated 24th February 1864, No. 1,188.

for them ; but the Collector of Malabar having failed to submit the required Statement, the charges were necessarily not included with those of other Districts, for which the sanction of Government was sought in the Board's Proceedings, dated 10th May 1864, No. 2,827. The Treasury Deputy Collector however sent the Abstract now submitted to the Civil Paymaster in June 1864, for the pay of the Shroffs and Peons for certain months in 1863, quoting the Order of Government dated 2nd December 1863, which disallows the former item, and sanctions only the latter as Guarding Establishment at a cost of Rupees 779, and the Civil Paymaster forwarded the Abstract to the Board for their counter-signature ; but as the actual charge incurred for the pay of the extra Shroffs requires the special sanction of Government, the Board request that it may be granted for Rupees 123-0-7 to enable the Audit Office to admit the charge. After the receipt of the sanction for the amount, the Bill will be passed and sent to the Civil Paymaster.

3. The Board deem it necessary to remark on the careless manner in which this Abstract has been sent up by Mr. Bates, the Deputy Collector. He has included in it a charge which was disallowed by Government, and for which he should have submitted a separate application for sanction according to the orders of the Board dated 24th February 1864. Excessive delays in the submission of Contingent Bills and inaccuracies in the accounts are of frequent occurrence in Malabar, and Mr. Bates should be desired to pay more attention to the work in the Account Department which is in his special charge.

No. 274. ORDER THEREON, 18th August 1864, No. 1,495.

Separate Revenue, No. 81.
Salt.

Sanction is accordingly granted for Rupees (123-0-7) one hundred and twenty-three and Pice seven. The Board will report whether Mr. Bates should be reduced for the negligence displayed by him in his duties.
