Proceedings of the Madras Government, Revenue Department, 28*th January* 1864.

No. 289. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 18th January 1864, No. 269:—

SIR,

1. With reference to paragraph 4, Proceedings of the Board of Revenue No. 4,393, dated 17th July 1863, received with Order of Government No. 2,240, dated 8th August 1863, I have the honor herewith to submit for sanction and entry in the Budget of 1864-65 an Estimate, amounting to Rupees 3,000, for a second class Travellers' Bungalow, proposed to be constructed at Nundial in the Kurnool District; this item was entered in the Budget for the 3rd Division, despatched to you on the 31st October last.

2 Plans.
1 Sketch Map.
2 Estimates.

2. I also beg to submit for sanction an Estimate amounting to Rupees 3,990, prepared at the request of the Acting Collector of Cuddapah, and approved of by the Board of Revenue, for a similar building proposed to be constructed at Cazeepett near the 13th mile stone, on the road from Cuddapah to Nundial and Kurnool, as shown in the accompanying sketch map; this item was entered as Rupees 3,300 in the Budget for this Division for 1864-65, but the rates at Cazeepett are high, owing to the great difficulty in procuring firewood and timber at that place, and after a careful revision of the Estimate I cannot reduce it below Rupees 3,990.

3. Nundial is situated at the junction of the roads from Cuddapah and Guntoor to Kurnool, whilst the roads from Kurnool and Nellore to Cuddapah meet at Cazeepett; the number of travellers between Cuddapah and Kurnool, already considerable, will greatly increase when the North West Railway is opened to the former place, and even now the want of accommodation for travellers is very much felt on that road.

Referred to the Revenue Department.

Chepauk,

No. 290. ORDER THEREON, 28th January 1864, No. 149.

The Government approve of a second class Bungalow being built at Nundial, but consider that it would be better to construct the second building at Chagulmurry, which is about half way between Cuddapah and Nundial, than at Cazeepett which is only 13 miles.
