*Proceedings of the Madras Government, Revenue Department,
23rd August 1864.*

No. 343. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 11th August 1864, No. 220:—

SIR,

1. I have the honor to state that in accordance with the instructions of Government, conveyed in their Order of the 6th instant, No. 1,409, measures will be taken to carry out as early as possible the Settlement which they have sanctioned for Kurnool proper, but the Govern-

ment will observe on reference to paragraph 43 of my Report, that it is now too late to introduce it for the current Fusly

(1274). The particulars will be explained to the Ryots of those villages for which survey areas have either already been received, or may be hereafter furnished, and the new Settlement itself will be brought into operation in such villages from the commencement of the coming Fusly (1275). The Officiating Deputy Director reports that by the end of the present month, he will probably be in possession of survey areas for 119 villages, and that those for 50 more may be expected by the end of the year. For the former number the work of entering the areas in the classification accounts, and of calculating the assessment upon them according to the sanctioned rates, will be at once commenced. The Asamiwar account, showing the area of the fields held by each Ryot in the current Fusly, and the new assessment thereon, will then be compiled and the extracts from that account, or rough Puttahs, will be prepared for distribution to the Ryots. I have issued instructions to the Officiating Deputy Director to make the above preliminary arrangements, which will occupy some time. When they are sufficiently advanced I will, in accordance with the wishes of Government, proceed to meet Mr. Melville at Kurnool and see the introduction of the Settlement fairly commenced.

2. I request sanction for an advance of Rupees 5,000 for the payment of extra Establishment, and for the commencement of the Settlement Registers. The Budget of the Department will meet the charge.
