MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the President of the Committee on Commissariat Stores, Madras, 13th August 1864 ; to the Secretary to Government, Military Department.

The Committee, of which I am President, begs to bring to the notice of Government, that the period of six months allowed to the Commissariat Department, for the purpose of converting the Stock in hand of Rum and Batavia Arrack into Alcohol, will expire at the end of the present month. There will then remain 21,633 Gallons of Batavia Arrack.

If distilling this Liquor be discontinued, the Committee is at a loss to point out how this large quantity can be disposed of without considerable loss to the State.

At the rate of about 350 Gallons a day, the whole could be used up in the course of three months, the Committee would therefore respectfully suggest, that a further period to that extent be at once sanctioned by Government, after which the Distillery could be altogether removed, without the State suffering any loss, and if any of the Alcohol remained unsold, it might be made over to the Alkarcce Department.

ORDER, No. 2828, 16th August 1864.

Sanctioned as proposed.
