*Proceedings of the Madras Government, Revenue Department,
29th August 1864.*

No. 405. Read the following Proceedings of the Board of Revenue, dated 9th August 1864,
No. 5,111:—

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, dated 25th July
1864, No. 127.

1. With reference to the Government Order, dated 29th June 1864, No. 1,107, directing Mr. Arbuthnott to submit a bill for the expense actually incurred by him on his journeys to, and from Kurnool and Kumbum, I have the honor to forward copy of a letter from that gentleman pointing out the difficulty he feels in preparing an account of actual expenditure after this lapse of time.

2. Mr. Arbuthnott has at the same time submitted a rough Estimate of what his expenses must have been, amounting to Rupees 154, which is clearly under the actual expenditure, as the charge for travelling hire for bearers in this District is very high, owing to the distances from which they are brought to the stations at which they are posted.

3. As I have before stated I do not think that the usual travelling allowance of eight Annas a mile, can much more than cover the expenses which Mr. Arbuthnott incurred on his journey.

4. The actual distance from Kurnool to Kumbum is 106 miles, for which bearers are paid, although the Civil Paymaster calculates the distance I believe at 98 miles on data of his own.

ENCLOSURE No. 1.

From J. R. ARBUTHNOTT, Esq., Head Assistant Collector of Kumbum, to J. I. MINCHIN, Esq., Collector of Kurnool, dated Balloopalay, 21st July 1864, No. 60.

1. With reference to your letter of the 16th instant, calling for a detailed Statement of the expenses incurred by me in my two journeys to Kurnool and back in the months of March and April, I have the honor to remind you that as these journeys were made between three and four months ago, when I was not in receipt of Government Order, No. 453 of the 16th March 1864, I kept no account of the expenditure thereby incurred.

2. In your letter to the Board of Revenue, dated 20th of April 1864, you estimated my actual expenses at eight Annas a mile, making altogether Rupees 212, and the Board sanctioned the charge.

3. Making allowance for 100 miles on horse-back, I estimate my expenses roughly to have been about six Annas a mile, making altogether Rupees 153-8-0, but it is impossible for me to submit a detailed account after so long a time has passed. I am of opinion that if Government be put in possession of the facts of the case they may deal with it as exceptional, and without reference to their Order of March the 16th of 1864, which by some accident has never reached me.

(True Copy.)

(Signed) J. I. MINCHIN, Collector.

1. Ordered to be submitted to Government with reference to their order quoted by the Collector.

2. The Board do not doubt the correctness of Mr. Minchin's Estimate that the actual expenses incurred by Mr. Arbuthnott in travelling upwards of 400 miles on duty with special speed would not be more than covered by the amount of Rupees 212, to which the travelling allowance was calculated to amount at eight Annas per mile, although at this distance of time and in the absence of accounts, Mr. Arbuthnott is unable to give the details.

No. 406.
