SIR,

1. I am directed to acknowledge the receipt of your letter No. 1,179 of the 7th July 1864, and in reply to state that the Governor General in Council concurs in the opinion of the Governor in Council of Madras, that by the Order of the Government of India, dated 14th January 1859, deciding that when Public Officers having a title to passage at the expense of the State, perform journeys on private vessels "the actual cost of passage (being of course reasonable) should "be allowed," it was intended that the charge for a servant's passage should be included in the amount of passage money, and that the Local Government should decide in each such case what is a reasonable amount of passage money.
