*Proceedings of the Madras Government, Revenue Department,
2nd September 1864.*

No. 17. Read the following letter from W. G. McIVOR, Esq, Superintendent Government Chinchona Plantations, to J. D. SIM, Esq, Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 22nd August 1864, No. 133 :—

SIR,

1. Having received numerous applications for Tea seedlings, and our stock being altogether inadequate to meet the demand, I would respectfully solicit the favor of Government being so good as to apply for fifty or sixty Maunds of seed of the present crop now being collected from the Government Tea Plantations in Kumaon and Deyrah Doom, especially as these plantations are to be sold on the 1st October, and transferred on the 1st November next, it appears most desirable that we should secure at once as much Tea seeds as would enable us to rear sufficient plants to meet immediate demands.

2. With the sanction and approval of Government, I would propose to dispose of our Tea plants at the rate of Rupees 5 per 100 for seedlings of from four to six months' growth, and Rupees 10 per 100 for seedlings of twelve months' growth, these prices will be sufficient to cover all expenses and yield a probable profit of about 50 per cent.

No. 18. ORDER THEREON, 2nd September 1864, No. 1,589.

Miscellaneous.

1. Application will accordingly be made to Dr. Jameson, by Telegraph, for fifty Indian Maunds of Tea seed of the present crop.

2. The proposed prices for Tea plants are sanctioned for the present.
