*Proceedings of the Madras Government, Revenue Department,
5th September 1864.*

No. 57. Read the following Proceedings of the Board of Revenue, dated 26th August 1864,
No. 5,549.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, dated
Musulipatam, 15th August 1864, No. 167:—

1. I have the honor to report that in the village of Kurunutulah appertaining to Guntoor Talook, Kidambi Buchi Ramanooja Charloo, an inhabitant of Guntoor, holds an Inám land, consisting of both dry and wet, as shown in the margin.

	A.	G.
Dry	12	62
Wet	4	95
Total ...	17	57

2. The title of the grantee to the land in question was recognized by the Inám Commissioner, and a Title Deed was issued with an annual quit-rent of Rupees 7.

3. In Fusly 1269, when the irrigating Tank of Kurunutulah village was repaired at the expense of Government, the whole dry portion of the Inám was included in the bed of the Tank which was enlarged.

4. From Fuslies 1269 to 1271, a small portion of the same was cultivated with paddy crops as detailed in the margin; but from Fusly 1272, the entire Inám was submerged, and in consequence became unfit for cultivation.

Fuslies.	A.	G.
1269	6	12
1270	3	6
1271	3	6

5. Now the Inámdar claims fresh land in lieu of the above, together with compensation for past produce being Rupees 59-14-6, at the rate of Rupees 19-15-6 a year. The Tahsildar recommends payment at this rate.

6. On reference to the papers connected with this case, it appears clear that previous to the Inám being swamped, viz., from Fusly 1257, its cultivation was limited to A. 6 and G. 12.

Fuslies.	Rs.	A.	P.
1271	9	15	9
1272	9	15	9
1273	9	15	9
Total ..	29	15	3

The Cist thereof according to the rate fixed by the Inám Commissioner, is Rupees 9-15-9. I beg to recommend therefore that compensation may be granted for the loss of crops for the three past Fuslies at that rate, as entered in the margin.

7. As there is no waste land in the village fit for cultivation, the Inámdar has made arrangements with a Ryot, to transfer from the latter's holding A. 12 and G. 13 of wet land, paying a Cist of Rupees 19-15-6, which is equal to the value of the land occupied by the Tank.

8. I request therefore that the Board will be pleased to obtain the sanction of the Government for the same.

The sanction of Government will be requested to the proposals of the Collector as contained in the above letter.
