Proceedings of the Madras Government, Revenue Department, 7th September 1864.

No. 95. Read the following Proceedings of the Board of Revenue, dated 13th August 1864, No. 5,205.

Read again letter from the Collector of the Godavery District, dated 25th April 1864, in Board's Proceedings, 13th July 1864, No. 4,379.

Read also the following letter from J. FRASER, Esq., Officiating Collector of the Godavery District, dated Cocanada, 22nd July 1864, No. 186:—

1. In reply to the Board's Proceedings of 13th July 1864, calling for my opinion as to the necessity for appointing a Special Deputy Collector for the duty of ascertaining the extent of Inám land taken for channel embankments, &c., in this District up to this date, and the compensation to be paid, I beg to state that I do not consider the appointment of such an officer necessary.

2. With the exception of the three Sub-division Talooks, we have already the accounts of the land taken up to the end of Fusly 1273 for the whole District, and the annual assessment on it. There are a few villages of which the accounts have not yet been received, but I hope we shall do so in less than a month hence. For the Sub-division we have similar accounts to the end of Fusly 1269.

3. Of the sum sanctioned to be paid as compensation, Rupees 1,19,916-8-6, and alluded to in paragraph 1 of Mr. Newill's letter to the Board, No. 74 of 21st March 1864, all but about 12,000 Rupees have been paid.

4. If the Board would sanction the payment to Inámdars, as compensation, of twenty years' purchase of the sum now annually awarded to them, they ask nothing more, and will gladly accept this mode of settlement. This would be a liberal, but not too liberal, and a very easy and quick mode of settling the question, and a month or two would see the whole accounts closed.

5. I hope to have the accounts for the whole District ready for transmission soon, and shall then state the sum that will be required under the above proposal.

1. Submitted for the information of Government.

2. The Board await the Collector's report as to the sum necessary for carrying out the settlement proposed in paragraph 4 of his letter.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th July 1864.

Read the following letter from the Acting Sub-Collector in charge of the Godavery District, dated Cocanada, 25th April 1864, No. 106 :—

1. With reference to paragraph 4 of the Government Order, dated 9th instant, No. 602, I have the honor to submit herewith a Statement showing the extent of Inam lands taken up by the Public Works Department, and the assessment on those lands. Compensation in either of the four ways directed by the Board, will have to be settled in the case of 2,288 acres, the Cist of which is Rupees 7,874.

2. The inquiry is greater than can, in addition to his ordinary work, be deputed to any of the officers in the District, and for that purpose, I request that a special Deputy Collector, who will be enabled to devote his whole time to the subject, may, according to Mr. Newill's suggestion, be appointed to this District.

3. I have sent strict orders to the Tahsildars regarding the preparation of the accounts for money compensation due to Inamdars for lands taken up before the end of Fasli 1269, and from the commencement of Fasli 1270 to the present time. These accounts, as well as those showing the amount of Peshcush which should be reduced for lands taken up in the proprietary estates, will be forwarded to the Board as soon as possible.

4. The present establishments are only barely sufficient to carry on the work of the District when all is in the best working order, but now that so many inquiries have been set on foot, particularly in the Sub-division, very great delay and inefficient work must be the result, unless the extraordinary aid now sought be furnished.
