*Proceedings of the Madras Government, Revenue Department,
8th September 1864.*

No. 113. Read again letter from the Officiating Conservator of Forests, dated 7th July, No. 980, and recorded in Proceedings, dated 23rd July 1864, No. 1,311.

Read also the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 23rd August 1864, No. 1,025 :—

Sir,

1. In reply to the Government Order No. 1,311 of the 23rd of July 1864, I have the honor to inform you that there was never any specific Government order sanctioning an Elephant Establishment for the Anamallay Forests. Elephants have always been employed in working these forests, and each Elephant has of course had a Mahout and under-keeper. The pay of these men was fixed many years ago and has never been increased, it is now almost impossible for them to live upon the sum they receive. The establishment is necessarily of a temporary character, and is of course regulated by the number of Elephants; it would perhaps be advisable to consider it as part of the working charges.

2. I submit herewith a Tabular Statement in the prescribed form.

No. 114. ORDER THEREON, 8th September 1864, No. 1,637.
