*Proceedings of the Madras Government, Revenue Department,
9th September 1864.*

No. 143. Read the following Proceedings of the Board of Revenue, dated 29th August 1864, No. 5,575.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, dated Nilambur, 22nd July 1864, No. 176:—

1. Adverting to the Board's remark on item No. 23 of the Estimate of Additional Establishment for 1861-65, received with their Proceedings noted, I regret that full explanation was not afforded in my Estimate of Extra Establishment of the necessity for retaining the two Gumastahs* for settling the accounts connected with lands taken up by the Railway Company.

* 1 at Rupees 15 per month.
1 do, 12 do.

2. Much of this work remains still to be done. Various old claims for compensation are, from unavoidable causes, pending adjustment. Several gardens were made over to the Railway Company in last year, the accounts connected with which have not yet been closed, nor compensation paid to the owners.

Part of the lands† taken up by the Railway Company, but not required at present, and lying beyond their boundary fence, remains to be leased under the Order of Government, dated 6th October 1862, and every such land requires to be measured, the amount of rent on each fixed, and the deeds of lease drawn out.

Accounts of rent of lands leased to the Railway Company for Bungalows, Workshops, Roads leading thereto, Ballasting, Quarrying, &c., have to be prepared periodically.

3. The Talook and Village Officers have at present ample work on hand in connection with the preparation of Register A. To impose on them any additional business is highly undesirable. I would therefore request that sanction may be obtained for the retention of the two Railway Gumastahs until the end of the current official year 1864-65.

1. Ordered to be submitted to Government with the Board's recommendation that under the explanation given by the Collector, sanction be granted for the employment of two Gumastahs for settling the accounts connected with lands taken up by the Railway Company, at a monthly cost of Rupees 27, up to the end of the current official year. This charge was originally entered by the Collector in his Estimate of Additional Establishments for 1861-65, but was disallowed by the Board for want of explanation.

2. The Collector states in paragraph 3 that the Talook and Village Officers have at present ample work on hand in connection with the preparation of Register A.

No. 144. ORDER THEREON, 9th September 1864, No. 1,652.

Miscellaneous.

Sanction is accordingly granted for the employment of two Gumastahs at a monthly cost of Rupees (27) twenty-seven up to the end of the current official year.
