*Proceedings of the Madras Government, Revenue Department,
14th September 1864.*

No. 224. Read the following Proceedings of the Board of Revenue, dated 29th July 1864,
No. 4,834.

Read the following letter from the Collector of Kurnool, dated 16th July 1864, No. 121 :—

1. With reference to the Proceedings of Government, Revenue Department, dated 4th July 1864, No. 1,145, forwarding an application from Mr. E. H. C. Monckton for 100 acres of land on the Nala-Malla hills, I have the honor to state that the late Sub-Assistant Conservator, Mr. Lennon, now under suspension, objected to the grant of the site in question on the score of it containing valuable timber.

2. I beg however to state that the same objection will be raised by the Conservancy Department to the grant of any land on these hills, as all of it contains forest trees interspersed with bamboo, and if such an objection be considered valid, no land on these hills can be offered for sale.

3. There are at least two thousand square miles of forest land of this description in the District, and while I fear that it is not very suitable for European enterprise, I should regret to have such applications rejected in toto, on the objections of the Forest Conservancy Department.

Ordered that the foregoing letter be submitted for the consideration and orders of Government with reference to their Order quoted by the Collector.

No. 225. ORDER THEREON, 14th September 1864, No. 1,692.

Land Revenue.

1. Communicated to the Conservator of Forests who will, in communication with the Collector, revise the List of reserved forest land in the Kurnool District as soon as possible. It is not the intention of Government that large tracts of land should be kept out of cultivation merely because they contain a few trees interspersed among ordinary jungle.

2. The Collector will state whether he considers Mr. Lennon's objection valid in the particular case referred to him.
