No. 238. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 16th August 1864, No. 1,013:—

SIR,

I have the honor to forward copy of a letter from Major Gib, Assistant Conservator of Forests. Government have ruled that he cannot draw more than Captain's pay in the Forest Department, may I request that you will inform me whether he can draw the difference of pay in the Military Department.

No. 239.

ORDER THEREON, 15th September 1864, No. 1,699.

Forests No. 34.

1. The Government observe that in their Order of 14th October 1862, No. 2,211, the salary of a 2nd Assistant Conservator was fixed at Rupees 700 *consolidated*, purposely to prevent the Forest Department from being burdened with the heavy charge which would otherwise fall on it by the promotion of Military Officers. The Government, however, thought it right that present incumbents should not be prejudiced by this change, and Captain Gib, who drew Rupees 765, was consequently left in the enjoyment of this sum, the consolidated salary of his grade having been fixed at Rupees 700.

2. In their Order of the 15th December 1862, the Government struck out from the Budget the provision made in it for Major's allowance in anticipation of Captain Gib's expected promotion, leaving him to receive whatever additional sum might be payable in the Military Department from that Department.

3. Captain Gib appears to have been promoted* on the 4th April 1863, and his application will now be transferred to the Military Department with the intimation that Rupees 765 per mensem is all that can be passed to him in the Forest Department.

* In G. O. G. 12th August 1864, No. 303, but to have effect from the 4th April 1863.

I am to acquaint you for the information of the Lords Commissioners of the Admiralty that their Lordships have received your letter of the 16th August 1862 Capt Key Dove recommended that the Assistants in the Record Dept should be placed on Consolidated Salaries, as the Record Dept could not bear the Expence of the Staff Salaries & the Rights allowances which the Officers on promotion became entitled -

Their Lordships adopted the Suggestion in the the present but present in consultation

should not be prejudiced - as under Capt B's scheme Major Reeves would have been.

In three later orders of 15 Dec: 62 first explained that the periods referred to present circumstances as they then were - not as they might be at some future time - Capt B: had provided for Capt Fitz as a Major which rank he was expected to attain in the course of 1863/4 - Provision was made accordingly for Capt Fitz as a Captain leaving him to get what more he could out of the Military Dept.

The Military Dept. declined, now fixing his status under such circumstances -

Capt G. now gets £75 & go Travelling allowance - the Consolidated salary - which his successor will draw - being £700 without the latter.

She can only, I presume, be told that one or other of these sums - at his option - is all that the Treasury Dept can give him - I am Major
