*Proceedings of the Madras Government, Revenue Department,
16th September 1864.*

No. 240. Read the following Proceedings of the Board of Revenue, dated 2nd September 1864, No. 5,712.

Read again Statement dated 17th June 1864, from the Officiating Collector of Trichinopoly, showing the amount of arrears due to two Men Cavilgars in his District, in Board's Proceedings dated 8th July 1864, No. 4,254.

Read also the following letter from A. R. McDONELL, Esq., Officiating Collector of the same District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 20th July 1864, No. 150:—

Adverting to Board's Proceedings dated 8th July 1864, No. 4,254, I have the honor to forward herewith copy of a Memorandum from my Deputy in charge of the Treasury furnishing the information called for therein. I agree with my Deputy in thinking that the Pensioners alluded to therein were not aware of the consequence of not drawing their allowance for a long time, but I do not know of any other grounds on which the renewal of these pensions can be recommended to Government.

ENCLOSURE No. 1.

Official Memorandum.

With reference to the Proceedings of the Board of Revenue, No. 4,254, dated 8th July 1864, the Deputy Collector in charge of Treasury has the honor to report that he is of opinion that the Pensioners therein referred to were not aware of the consequences of not drawing their allowances a long time, as they had not been furnished with the notice specifying the above circumstance in the accompanying form. Excepting the ignorance of this rule on the part of the Pensioners, there is nothing to support the recommendation to continue their pensions.

1. Ordered that the above papers be submitted for the orders of Government.
2. The two allowances in question of Rupees 6-4-0 and Rupees 6-0-0 per annum respectively, were originally granted under Government Order, No. 748, dated 9th August 1850, to two Men Cavilgars in lieu of Cavil fees which were abolished together with the office to which they were attached. The incumbents failed to draw their allowances for eight and nine years respectively, as shown in the Statement furnished by the Officiating Collector, and plead sickness as their excuse for not appearing at the proper time, but the Collector has ascertained this statement to be false, their own affairs having detained them, as it would appear, in the adjoining District of Tanjore. The trifling amount of the allowance was probably the cause why the arrears were allowed to accumulate.

3. Under the existing rules* regarding Yeomiahs, an allowance undrawn for four years *ipso facto* lapses to Government; but the Board are not sure that this restriction of payment of arrears extends to grants made in lieu of resumed emoluments or privileges of the nature of those now in question. In the case of Pagoda and Mosque allowances, the Government have ruled in their Order dated 27th October, in Consultation 6th November 1848, No. 1,173, that the above restriction does not apply.

4. The brief abstract of the Yeomiah Rules, which under the Government Order, No. 203, dated 28th January 1861, is to be entered on each Certificate entitling a Yeomiahdar to receive his allowance, was not entered in the Certificates of the Pensioners in question, as no opportunity occurred for doing so.
