Proceedings of the Madras Government, Revenue Department, 21*st September* 1864.

No. 286. Read the following Proceedings of the Board of Revenue, dated 10th September 1864, No. 5,917.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 26th August 1864, No. 179:—

1. I have the honor to report that in the village of Rayanipad, appertaining to Bezoarah Talook, the three individuals noted in the margin, held Inám lands to the extent entered opposite their names.

	A.	C.
A. Senkara Mrutteyenjayudu	.. 16	39
B. Patchalla Pamanappa and Pullambhotlu..	.. 8	19

2. These Ináms, which appear to have been left fallow from Fuslies 1253 and 1259, respectively, fell within the tank excavated in that village in Fusly 1262 at the expense of Government, and consequently became submerged.

3. The Inám Commissioner inquired into these Ináms, received statements from the Inámdars, and fixed quit-rents on them, viz., on A. Rupees 2-12-0 and on B. Rupees 1-4-0 per year, the value of those Ináms according to the classification rates as determined by the Inám Commissioner being Rupees 22 and Rupees 10 respectively.

4. The Inám Commissioner has written to me that title deeds will be issued to the parties as soon as he is informed that fresh lands have been assigned to them in substitution for those occupied by the tank.

5. As in the village of Rayanipad there are no unoccupied waste lands, the Inámdars have arranged with some Ryots to give up a portion of their holdings equivalent to the value of the Ináms which fell within the bed of the tank, and the Ryots have ratified the agreement before the Tahsildar. The particulars are given below:—

Inámdars.	Extent of Ináms *already fallen within* the tank.	Extent of land proposed to be given from Ryots' holdings.		Rate per Acre.
		Land.	Sist.	
	A. C.	A. C.	RS. A. P.	RS. A. P.
1. A... ...	16 39 0	11 27	14 2 6	1 3 5
		5 33	2 9 0	0 7 0
	Total...	17 20	16 11 6	... ...
2. B.... ...	8 19 0	8 25	10 10 0	1 3 9
	Grand Total...	26 5	27 5 6	... ...

6. In the first case, though the value of the lands agreed to be relinquished, is only Rupees 16-11-6, yet the Inámdar has consented to receive them, as being a little larger in extent than his former Inám. In the second case, land of the exact value of Rupees 10 will be given to B. Both of these Inámdars have agreed to pay the fixed quit-rent on the new lands.

7. I therefore request the Board will be pleased to obtain the sanction of the Government for the proposed transfer.

8. No compensation is recommended for past produce, as the Ináms were all waste for several years before they were taken up for the bed of the tank.

Submitted for the sanction of Government.
