*Proceedings of the Madras Government, Public Works Department,
15th September 1864.*

No. 311. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 5th September 1864, No. 2,643 :—

SIR,

1. With reference to the Proceedings of Government, No. 2,491, dated 29th August 1864, I have the honor to state that as upwards of four months of the current official year have now elapsed, and much time will be taken up in preparing the required revised plans and estimates for salt platforms and boat channels at Cheyoor in the Madras District, it will not I fear be possible when the works are sanctioned to expend this year the whole of the funds allowed on their account in the Budget.

2. Under these circumstances I recommend that the cost of the Peishcar's Cutcherry, Rupees 1,040, and of the watch tower, Rupees 210, at Cheyoor may be met from the sum Rupees 10,000 allotted in the Budget for the boat channels at the same station.

No. 312. ORDER THEREON, 15th September 1864, No. 2,677.

1. The sanction of the Government of India will be requested to the diversion of funds recommended by the Superintending Engineer, 4th Division.

2. Ordered that the following letter be sent :—

(Here enter No. 2,678, dated 15th September 1864.)
