Proceedings of the Madras Government, Revenue Department, 22nd September 1864.

No. 322. Read the following Proceedings of the Board of Revenue, dated 9th September 1864.

Read the following letter from G. BANBURY, Esq., Acting Collector of North Arcot, to W HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 3rd September 1864, No. 211 ;—

SIR,

1. I have the honor to request that the sanction of Government may be obtained for exempting the parties named in the margin from the special Test Examination.

Mr. T. E. Stracey.
Y. Alagasingary Naidoo.

2. In the absence of passed Candidates Mr. Stracey who has had considerable experience in the Account Department was appointed by me to act as Head Accountant, and Alagasingary Naidoo was, after his qualifications were tested by me, appointed to officiate in the post of translator; he has already passed the University Matriculation Examination in which translation is one of the subjects to be taken up. Although these nominees have not yet passed the tests prescribed for the posts to which they have been respectively appointed, as I found them quite competent to undertake the duties, and the vacancies had to be filled up expeditiously, I trust Government will be pleased to authorize the Civil Paymaster to pass the salaries due to these two servants.

3. I may add that these appointments were made in connection with the only arrangements I could satisfactorily carry out for the well working of my Office, which will be greatly impaired if my present request be denied. I have only nominated these employés acting, as I hesitate to make confirmed appointments in important posts during the temporary absence of the Head of the Office.

The Board will recommend to Government that the Civil Paymaster be authorized to pass the pay bills in question for the present, on the understanding that retention of Office will be dependent on the parties passing the prescribed test at the next examination.
