SIR,

Adverting to the Orders of Government, dated 12th August and 9th September last, Nos. 1,449 and 1,611 respectively, I have the honor to request that you will inform me, whether the charges incurred in connexion with the experiment of introducing English agricultural implements in India, may be met from the sum of Rupees 10,000 provided on account of Agricultural Exhibitions under B IV. No separate provision has been made on this account in the Budget Estimate of 1864-65, and should the Government be not prepared to sanction for it, any portion of the provision on account of Agricultural Exhibitions, I would suggest that the Civil Paymaster be then instructed to pass the charge against the General Savings under B IV Miscellaneous.

No. 327. ORDER THEREON, 22nd September 1864, No. 1,744.

Miscellaneous.

1. The Civil Paymaster is authorized to pass the charges in question against the General Savings under B IV Miscellaneous.
