Proceedings of the Madras Government, Revenue Department, 22nd September 1864.

No. 330. Read the following Proceedings of the Board of Revenue, dated 13th September 1864, No. 5,979.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 31st August 1864, No. 164:—

With reference to the Proceedings of Government dated 15th instant, No. 1,469, I have the honor to transmit copy of a letter from the Head Assistant Collector reporting that land to the extent of Acres 8, G. 16, A. 9, is available at the Jolarampett rail station for the proposed Rest House and compound at 20 Rupees per acre. The Sub-Collector states that the Rest House at Sulageri is not required for any public purpose.

ENCLOSURE No. 1.

From E. F. WEBSTER, Esq., Acting Head Assistant Collector of Salem, to the Honorable D. ARBUTHNOTT, Collector of Salem, dated Tripatore, 27th August 1864.

1. In answer to your letter, No. 603 of 22nd instant, I have the honor to enclose a Statement showing the particulars of the land taken for a Rest House at Jolarampett. The site fixed on adjoins the property of Railway Company and is close to the station. The land stands high and is under dry cultivation.

2. It belongs to a Muttadar, and was selected by me personally as being peculiarly well adapted for the purpose required.

3. It is in four portions, and the extent required for the Rest House, &c., &c., is Acres 8-16-9, the assessment on which is Rupees 11-5-4. This sum must be deducted from the Muttadar's Peishkush.

4. I have settled the price to be paid to the cultivators at 20 Rupees per acre, which, considering the high rates land fetch in the neighbourhood, appears reasonable.

5. There appears to be no immediate necessity for fixing the amount of compensation to be paid to the cultivators for the loss of the standing crops, as it is highly probable that the crops will be reaped, and carried off before the Rest House is constructed.

(True Copy.)

(Signed) D. ARBUTHNOTT,
Collector.

Submitted for the information of Government with reference to their Order quoted by the Collector.

Proceedings of the Madras Government, Revenue Department, 22nd September 1864.

No. 332. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 9th September 1864, No. 1,066:—

SIR,

1. There are just now two well trained Elephants for sale at Palghat belonging to some timber Merchants who are breaking up their establishment, I have the honor to request the sanction of Government for making the purchase of the same for the Anamallay Forest establishment; their cost will be about 2,000 Rupees each; they can each drag three Candies and are well trained to forest work, and are as powerful animals as the one purchased by us two years ago for 2,500 Rupees so that I consider them cheap. The cost can be met out of the amount sanctioned for working charges for the year.

2. Three of our forest Elephants have lately calved and it is quite indispensable that we procure some more Elephant labor. Government lately sanctioned the employment of some of the Commissariat Elephants, but I find their expenses for last season were so heavy that I do not feel justified in availing myself of their services; they are not, moreover, adapted for forest work.
