Proceedings of the Madras Government, Revenue Department, 26th September 1864.

No. 377. Read the following Proceedings of the Board of Revenue, dated 14th September 1864, No. 6,065.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 30th August 1864, No. 283:—

I have the honor to acknowledge the receipt of the Board's Proceedings of the 15th instant, No. 5,240, and state that Itamukkala is also a port in regard to which those rules should be observed. In the printed copy recorded in the Proceedings under acknowledgment, it is not however so marked, and as it is a place of importance and of some considerable trade, I beg, should it be a clerical error, that the Board will be pleased to have the mistake rectified.

1. Ordered to be submitted to Government in continuation of the Board's Proceedings, No. 5,240, dated 15th August 1864.

2. The ports at which the Collector recommended that the Rules in question should operate were marked with an asterisk in his letter, which mark appears to have been omitted by an oversight of the Press in the Board's Proceedings referred to by the Collector.

No. 378. ORDER THEREON, 26th September 1864, No. 1,770.
