Read the following letter from G. L. MORRIS, Esq., Collector of South Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Mangalore, 15th September 1861, No. 157:—

SIR,

1. Being anxious to dispose, as early as possible, of my stock of the Amindivi Coir imported during the last season, to make room for the supply expected from January next, I beg to state that I have now in hand Candies 704 or tons 176 for disposal. Of this 30 tons will be shipped shortly for Calcutta, as per Indent from the Naval Store Keeper, received with the Board's Proceedings dated 4th March 1861, No. 1,360, arrangements having been made through the Bombay Government for the necessary freight.

Government Order, 2nd March 1861, No. 374:

2. There will then remain tons 146 for disposal by public auction, if not required by the India Government at Calcutta; and I beg therefore that the Board will be so good as to ascertain the wishes of the India Government in the above respect.

3. If the Coir is not required by the Government of India, I purpose sending for the approval of the Board, an advertisement for the sale of the same by public auction as early as it can be advantageously effected.

Submitted to Government with the request that the desired information may be obtained from Calcutta.

Ordered that the following letter be despatched.
