Proceedings of the Madras Government, Revenue Department, 27th September 1864.

No. 413. Read the following Proceedings of the Board of Revenue, dated 20th September 1864, No. 6,203.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Ootacamund, 12th September 1864, No. 196:—

In January 1859, a piece of land adjoining the Wellington Cantonment was purchased by Government for Rupees 4,000 from the Burghers. The land was intended for the extension of the Cantonment and on a portion of it I believe, the lines of the Sappers burnt down some time ago, stood. I am given to understand that this land is not now required by the Military Department. Application has now been made for its sale under the waste land rules. I beg to know whether it is available for sale under these rules. It will be well to ascertain the fact from the Military authorities. Although the land cost Government Rupees 4,000, it is by no means improbable that if sold by auction it will fetch an insignificant sum, as there has been as yet but little competition for lands sold by auction on these hills.

Submitted for the decision of Government. Under the circumstance stated by the Collector, it would not seem expedient to part with the land.

No. 414. ORDER THEREON 27th September 1864, No. 1,788.

Referred to the Military Department.
