*Proceedings of the Madras Government, Revenue Department,
29th September 1864.*

No. 435. Read the following letter from F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to the Government of Madras, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 17th September 1864, No. 124:—

SIR,

With reference to Extract from the Minutes of Consultation, under date the 21st November 1855, No. 1,277, Revenue Department, I have the honor to forward herewith, copy of a letter from the Deputy Collector, Godavery, No. 59, dated 6th August last, and to request that you will inform me whether it was the intention of Government that, the sale of sites; value of produce of trees; sale of withered trees, and tax on timber yards, should always continue to be credited to Taylor's Pettah fund. These items are imperial revenues, and it seems to me should be credited to Government, and under the ruling of the Government of India, dated 26th January 1863, No. 124 A, recorded in Proceedings of this Government, dated 25th February 1863, No. 493 the first item, viz., sale of sites, under "deposits."

No. 436. ORDER THEREON, 29th September 1864, No. 1,799.

Miscellaneous.

Referred to the Board of Revenue for full report as to the sums collected from the several sources alluded to in each year and spent in the improvement of the new Pettah. They will state also the number of building sites still available for sale, and the sum which they are likely to fetch.

Taylor's peta, a suburb of Tarsapuram in the Taluk of that name, was built by Mr. G. N. Taylor in 1851, when Sub collector of this District, for the accommodation of the villagers of Madepalem, whose houses had been destroyed by the encroachments of Godavery.

2. The ground of the new Peta was obtained for this purpose from private parties, other lands having been given to them elsewhere, in exchange.

3. Mr Taylor, in his letter dated 29th September 1855, which was forwarded to Government through the Collector and the Commissioner for the Northern Circars, besides mentioning the amount he had received by the sale of the sites and trees,

With reference to Extract from the Minutes of Consultation, under date the 21st November 1855, N^o 1277, Revenue Department, I have the honor to forward herewith, copy of a letter from the Deputy Collector, Bodavery, N^o 59, dated 6th August last, and to request that you will inform me whether it was the intention of Government, that the Sale of Sites, value of Produce of Trees, Sale of withered trees, and tax on timber yards, should always continue to be credited to Taylor's Pettah Fund. These items are Imperial revenues, and it seems to me should be credited to Government, and under the ruling of the Government of India, dated 26th January 1863, N^o 124. As recorded in Proceedings of the Government, dated 25th February 1863, N^o 403, the first item, viz. Sale of Sites, under "Deposits."

and spent for the improvement of the Peta in aid the funds granted by Government, sent a set of rules specifying the prices fixed for the different classes of the sites. The proceedings of Mr Taylor were approved by Government in their Extract Minutes of Consultation, dated 21st November 1855, N^o 1277.

1. Ever since the construction of the Peta, the items detailed below, have, it appears, been credited to the Peta funds, spent under the Subcollector's orders for the improvement of the place.

1. Sale of Sites.
2. Value of produce and of withered trees.
3. Tax on Timber yards.
4. Old Materials of the Dutch tombs and sheds in the Peta.
5. Subscription for the lighting of the place.

As reported in my communication of the 5th Ultimo, the funds are now at the disposal of the Subcollector and Committee appointed for that purpose.
