Proceedings of the Madras Government, Revenue Department, 7th October 1864.

No. 57. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th August 1864:—

SIR,

1. With reference to the Order of Government, dated 23rd July 1864, No. 1,312, communicating a Telegram from the Home Secretary to the Supreme Government, I am directed by the Board of Revenue to submit the accompanying Statement, showing the prices at which the lands specified in the Return, forwarded to Government with my letter, dated 1st December 1863, No. 7,571, were sold. The former Return showed the extent of land sold in round numbers, but as the price realized by the sale is now required to be given, it has become necessary to exhibit, in the present Statement, the fractional parts of an acre, in order that the correct average price per acre may be calculated if required.

2. The large amount of Rupees 20,080 realized by the sale of only six acres and odd of lands to Natives in 1859, was owing to the extraordinary high prices obtained for the land on the Esplanade in the town of Madras.

3. In some cases the extent shown in the Statement may have been sold in two or more lots, but the price of each lot cannot be separately given, as the Collectors' Returns do not furnish that information.

Abstract Statement showing the extent and amount realized by sale of Waste Lands sold to Europeans and Natives from 1st January 1858 to 31st December 1862, and also in the first nine months of 1863, in the several Districts.
