Miscellaneous.

The charges referred to in this Memorandum were those sanctioned in the Proceedings of Government 23th February 1863, No. 410, on account of the Establishment for stamping Weights and Measures in the Madras District. No reference was requisite to the Government of India in respect to those charges, as they were then, with the permission of that Government, debited to the Local Fund. The Government of India having since ruled otherwise, and similar charges being found necessary in other Districts also, the requisite Tabular Statement will be submitted for their sanction as soon as certain information expected* from the Board of Revenue on the subject is received.
