PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st May 1864.

Read the following letter from the Collector of Vizagapatam, dated 25th April 1864, No. 230 :—

1. Referring to paragraph 7 of the Subsidiary instructions relating to the sale of unassessed waste lands, I have the honor to forward herewith Deed B in duplicate with plans attached for the seal of Government.

2. The land therein referred to was advertised in November last for sale on the 15th March 1864, but as it was not practicable to hold the sale on that date, it was postponed to 16th April, on which day it took place in my presence.

1. The Title deeds and plans will be returned to the Collector for revision in accordance with the instructions contained in the Board's Standing Circular, No. II, dated 14th January 1864.

2. Mr. W. Gold's "degree, profession, or mystery" should be mentioned.

3. The names of the hill and the road shown in the plan should be given in the plan itself as well as in the schedule at the foot of the Deed. The boundaries as they now appear would render it almost impossible for any one not previously acquainted with the locality to identify the spot in question at any future time.

4. The plans should have been fastened to the Deeds, as they have now been fastened in this office.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th July 1864.

Read the following letter from the Collector of Vizagapatam, dated Bimlipatam, 4th June 1864,
No. 325 :—

I have the honor to re-transmit the Title Deeds returned with the Board's Proceedings dated
21st May 1864, No. 3,131 : the omissions pointed out have been supplied.

The Deeds will be returned to the Collector with the request that fresh deeds may be
furnished with as little delay as possible, as the erasures in the boundaries entered in the
"Schedule" at the foot of the documents now submitted render the latter open to suspicion.
