*Proceedings of the Madras Government, Revenue Department,
13th October 1864.*

No. 145. Read the following letter from C. W. READE, Esq., Collector of South Arcot, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Cuddalore, 3rd October, 1864, No. 64 :—

SIR,

1. There are now four or five offices of the grade of Sub-Magistrate and Tahsildar vacant in my District, and with the exception of one which has been unfilled up for some time past, the rest are held by men whose confirmation either depended on their passing at the last special Test Examination or on the result of that examination being known, when their places could be supplied by men thus duly qualified.

2. The result of the examination only reached me on the 23rd of last month, and it is quite out of my power all at once and without due consideration to nominate the right man to the right place. Moreover, the number of Candidates who have passed in this District will not suffice, I am afraid, to fill up all the vacancies, and then again the places of those who are promoted have to be supplied, so that the arrangements to be made will require some little thought and planning; and accordingly I solicit the sanction of Government to the Office of Audit to pass all salaries as at present up to the end of the present month, within which I will engage to fill up all the vacancies with duly qualified and passed men; but it is wholly out of my power properly to do this suddenly and without the consideration due to the offices for which the nominations have to be made.

No. 146.

ORDER THEREON, 13th October 1864, No. 1,884.
