No. 151.
From

J. D. SIM, Esq.,
Secretary to the Government of Fort Saint George,

To

The Colonial Secretary Mauritius.
SIR,

Miscellaneous.

1. I am directed by His Excellency the Governor in Council to inform you of the despatch, per Barque "Moulin," of a case containing Chinchona plants and Ferns for His Excellency the Governor of Mauritius. I am to state that if His Excellency considers the introduction of the Chinchona into the Mauritius important, the best course will be to send a competent gardener to Madras to learn the mode of culture here adopted, and to take charge of plants for the Colony. Every facility will be afforded here to such an agent, and a liberal supply of plants would be sent by him.

2. I am directed to forward a list of plants which the Governor in Council would like to receive from your Botanical Gardens, in return for those now sent.

I have the honor to be,

Sir,

Your most obedient servant,
