*Proceedings of the Madras Government, Revenue Department,
17th October 1864.*

No. 182. Read the following Proceedings of the Board of Revenue, dated 5th October 1864,
No. 6,553.

Read the following letter from Lieutenant-Colonel J. TEMPLE, Superintendent of Stamps, to
W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 23th
September 1864, No. 507 of Fusly 1274:—

1. I have the honor in reference to paragraph 42 of Government Order, No. 1,691, dated 14th September 1864, to state that every District of the Presidency is supplied with sufficient stamped paper to meet average requirements during the quarter ending 31st December 1864.
2. As the Indents submitted for the new kind of stamped paper were not forwarded to England until the middle of this month, and the demand for immediate use was very considerable, I do not suppose it possible for sufficient to be ready for despatch before the middle of November. Its transmit here even by Overland Mail will not be effected before the end of December; it will then have to receive the vernacular value Stamp at the Mint, and be distributed; this cannot be effected in less than three months, that is at the earliest by the end of March 1865.
3. I therefore propose supplying, in due course, the usual quarterly Indents for the 1st quarter of 1865, and afterwards, on learning the intentions of the Secretary of State, making monthly consignments until the new paper is ready for issue.

1. Submitted for the information of Government.
2. The Board approve the arrangements proposed by the Superintendent of Stamps.
