No. 6,733.

Read the following Proceedings of the Madras Government, dated 6th September 1864,
No. 1,621, Revenue Department :—

ABSTRACT.—Requesting the Board to consider whether the cost of the avenues, &c., in the Madras District, and of the Jail at Puthiangady in Malabar should not be paid out of the Jungle Conservancy and Imperial Funds, respectively.

1. The Board observe that the charge on account of the Jail at Puthiangudi, in Malabar, which is annually debited to the Local Fund, is for the rent and repairs of a temporary Jail for convicts placed under the Collector for employment on District roads. It should not have been entered in the Budget as an original work under the head of Civil buildings, but treated as a contingent charge under the head of Repairs.

2. The cost of avenues, &c., in the Madras District, amounting to Rupees 6,493, cannot be met from the Jungle Conservancy Fund, as the receipts under this head, in the Madras District, have hitherto been very small. On an application from the Collector of Madras, the Board, in their Proceedings dated 5th July 1864, authorized the charge of Rupees 1,000, on the District Road Fund, for planting the Coast Canal bank, on the understanding that the amount is eventually to be refunded to the Road Fund account, and they have also recently directed that the amount realized by the sale of scattered trees and avenue clippings shall, in future, be credited generally to the Jungle Conservancy and Planting Fund, to which it properly belongs. Under this arrangement the cost of planting trees, &c., can in future be met from the Jungle Conservancy Fund, but the District Road Fund will be proportionately reduced.
